Gloucester Police Patrolman's Association

The Gloucester Police Patrolman's Association is pleased to announce a new website. The E-Board felt that the site would be best published now. We are going to use this great forum to keep the membership as well as the public informed of ever changing labor relations between the City and the Union. Hopefully you will find the sight informative and interesting as well as a great resource. There is a lot of work to do unfortunately there just is not enough hours in the day. Content is going to be added daily please visit often.

We are looking for ideas and suggestions.

Please don't hesitate to offer up any ideas or suggestions on content or material which may be beneficial to the overall site.
